

32
Cont 10
18. A process for the recombinant production of a heterologous polypeptide comprising culturing a host cell according to claim 14.

REMARKS

The preceding claim amendments have been made to recite the claim terminology of the vector claims of parent application Serial No. 08/300,063.

Should the Examiner believe a conference would advance the prosecution of the application, the Examiner is encouraged to telephone the undersigned counsel to arrange a conference.

Respectfully submitted,

John W. Schneller
